MSA Architects Job Openings | Cincinnati + Columbus

October 16, 2017

As a result of firm-wide growth, new client acquisition, and ongoing work from established clients MSA Architects is expanding our permanent team. We have an immediate openings as listed below:

Columbus – Project Designer 0-5 years experience.

Columbus – Project Architect 3-7 years experience.

Cincinnati – Project Designer 0-5 years experience.

General Characteristics and Experience for candidates:

Post-graduation experience with a professional firm or agency as listed for each position.

Architectural Licensure, or on the path towards eventual Licensure is preferred – candidates are encouraged to be developing experience with the goal of taking the Architectural Registration Exam (ARE).

Experience in one (or several) of our market areas including Sport, Education, Lifestyle, Corporate, Branded Environments, Transportation, Government, and Religious projects. We encourage candidates to review our website portfolio at www.msaarch.com for examples of our work.

A person of high integrity willing to follow through with commitments, honor their word, and embodies the character exemplified by MSA leadership and team members.

Excellent listening skills and the ability to foster long-term client relationships to develop ongoing work opportunities.

Experience working directly with clients and consultants from the initial project conceptualization through construction phases is essential.

A self-starting, positive, dynamic, active, outgoing personality.

A flexible, easy-going person of a collaborative nature who will work well with our Principals, Leadership, and Team members.

A passion to pursue design excellence, regardless of size, scope, or type of project.

Bachelor's degree with a major in Architecture from an accredited institution.

High proficiency is mandatory in REVIT, AutoCad, and Adobe Creative Suite.

Experience with Rhino, 3DS Max, Grasshopper, and SketchUp is preferred, but not

required.

A flexible, easy-going person of a collaborative nature who will work well with our Principals, Leadership, and Team members.

A passion to pursue design excellence, regardless of size, scope, or type of project.

Most importantly, a person who will embrace MSA's core values of:

- Excellence in Design
- Excellence in Communication
- Professionalism
- Philanthropy
- Furthering the Design Professions

Please submit resume, portfolio samples, and references in PDF format to the attention of Bill Baker, AIA Principal at hr@msaarch.com. There is a 15 mb limit on electronic file size.

No telephone calls, please.

Applicant must be a U.S. Citizen or possess proper authorization for full-time permanent employment in the United States.

MSA Architects is an equal opportunity employer.
